Fairford UK, 17.08.2018 [ENA]

RIAT 2018 is thus called among aviation enthusiasts the largest airshow in the world organized in support of the Royal Air Force Charitable Trust: the Royal International Air Tattoo, which takes place every year at RAF Fairford Air Base in Gloucestershire (UK).

This year at RIAT the 100th anniversary of the Royal Air Force (RAF) was celebrated. RAF100 this is the symbol for the centenary of the British air forces, a symbol reported on many aircraft of both RAF and the Guests taking part in the festivities.

Over 350 aircraft and 180,000 spectators during the weekend, these are the numbers that catch the eye for the RIAT 2018, an edition with a wonderful weather and that only on Friday has rained. The spectators present at RIAT were able to admire the best flight displays during the week and on the show's weekend.

The Battle of Britain Memorial Flight presented with the overflight and the different displays of the strong emotions to the public. On Friday, the RAF100 was also scheduled for the flypast of 100 RAF airplanes, but due to a heavy thunderstorm that hit the air base it was canceled and unfortunately it was not possible to recover the passage on Saturday. In fact, on Saturday there was the overflight of a squadron of 9 Eurofighter Typhoon FGR4 and BBMF.

Like every year among the best Airshows in the world, like every year full of airplanes and emotions. The RIAT 2018 has satisfied everyone and has worthily honored the celebrations of the centenary of one of the best World Air Forces the Royal Air Force.
